

The Governor's Task Force to Determine the Method of Compensation for the Victims of North Carolina's Eugenics Board will recommend possible methods or forms of compensation to those persons forcibly sterilized under the N.C. Eugenics Board program and evaluate recommendations from previous commissions regarding the program and sterilization victims. The Task Force shall provide preliminary recommendations to the Governor by Aug. 1, 2011, and a final report by Feb. 1, 2012.
